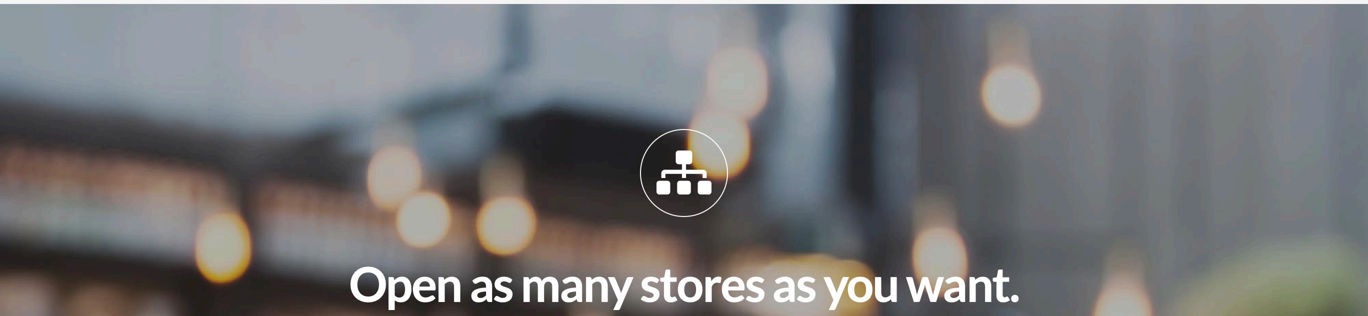
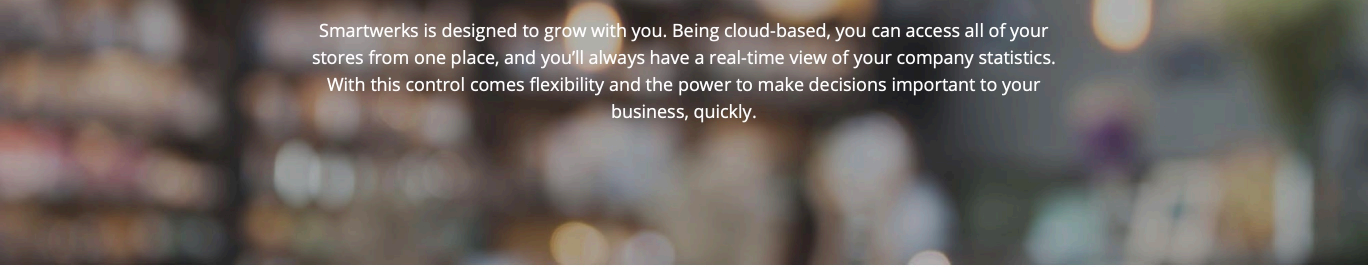
America's MATTRESS

"Smartwerks has been a great tool for my company during this time of growth. We have expanded from one mattress store to four, with a fifth opening in a couple of months. Smartwerks has allowed me to control my inventory cost and levels at every store during this exciting yet difficult time. I don't think I would have been able to manage this expansion without the help of Smartwerks."

Mike Conner, America's Mattress Owner, Pensacola, FL



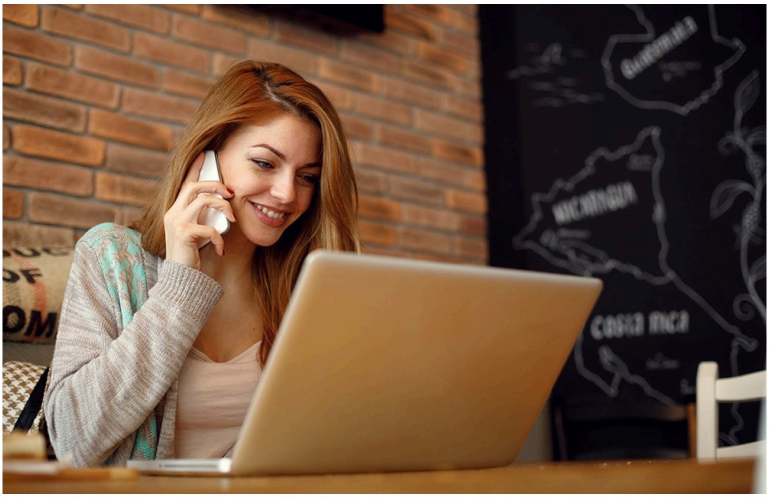
Open as many stores as you want.



Smartwerks is designed to grow with you. Being cloud-based, you can access all of your stores from one place, and you'll always have a real-time view of your company statistics. With this control comes flexibility and the power to make decisions important to your business, quickly.

Personalized 24/7 support. Always.

Our success is based on your success. When you choose Smartwerks, we won't just send you a download link and expect you to do everything else. We'll help you get up and running and when you need extra assistance, we'll be here.



Here's what a few of our customers think:

"Smartwerks thinks of everything. It literally does everything any business owner could possibly want or need. I have a very specialized type of business and priced all of their competitors. My suggestion is not to even waste time looking at the other options. Let them do a demo for you and you see all that you need!"

"I am truly grateful that we met at the trade show in Vegas a year ago. You have given me the tools to bring control over my business now and in the future. Your business culture, service and attitude is second to none. Smartwerks allows a mom and pop shop to operate like a Fortune 500 company."

ERIK BROWN, RIVERMIST VAPOR, LAKE HAVASU CITY, AZ

"Smartwerks has made tracking our jewelry inventory hassle free. Everything is at our finger tips- inventory, customer information, vendor accounting, you name it. Everything is easily accessible on the cloud based software system. I've never been more pleased with a POS software. After 30 years of business, we are definitely sticking with Smartwerks!"
