SMARTCONNECT

A simple way to text your customers.

Attract new customers, boost sales, improve customer service, and generate repeat business. All with text messaging. Text messages have a 98% open rate, 60 times higher than email. And almost all are read within 2 minutes of receiving them. Best of all, 85% of consumers would rather be contacted through text than with a phone call or email.

Thanks for visiting Sammy's. If you have a minute, please leave a review of your experience. Reply 1 for a Google Review or 2 for a Facebook Review.

Focus on the important things.

TylerNet has pioneered much of the cloud-based, integrated POS technology being used today. We take care of the behind-the-scenes, technical aspects of your system so you can focus on the things that matter most to your business.

> "Acquiring the Tyler System was a good decision in 1986. We believe it's an even better decision today."

Steve Magnotti, The Fireplace and Patioplace, Pittsburgh, PA
